

1946 CITY OF ST. LOUIS

-Art Riordan Collection

The *City of St. Louis* was inaugurated June 2, 1946 between St. Louis and Cheyenne, Wyoming, where its cars continued west on other Union Pacific trains. Between St. Louis and Kansas City, it was operated by the Wabash Railroad. In April 1951 it became a through train from St. Louis to Los Angeles. In 1964 it was combined with the *City of Los Angeles* west of Ogden, Utah, and in 1968 with the *City of San Francisco* from Cheyenne to Ogden. The Coach Yard will offer an east and westbound 8-car 1946 *City of St. Louis* in HO scale, as well as two 2-car add on sets and a number of additional cars individually, all FACTORY pro-finished: lettered and painted with interiors as per prototype.
