

1938 B & O CAPITOL LIMITED

B&O's all-Pullman *Capitol Limited* was the premier train on the Jersey City-Washington-Chicago run. During 1938, B&O's Mount Royal Shops modernized the heavyweight consist and B&O added new EMD EAs to pull the now stream-styled train. The Coach Yard will offer the 8-car *Capitol Limited* in HO scale, its two-unit EMC EA-B power set, as well as a number of individual cars, FACTORY pro-finished: lettered and painted with interiors as per prototype. See your friendly Coach Yard dealer and make your reservations now!
