Second only to the famous *Super Chief*, Santa Fe's *Chief* was one of America's most famous and luxurious all-sleeper trains, operating daily for over 42 years between Chicago and Los Angeles. In 1938 it received entirely new lightweight equipment built by Pullman-Standard and Budd, and finished in stainless steel. The Coach Yard will offer the ten car *Chief* in HO scale FACTORY pro-finished: lettered and painted with interiors as per prototype.
