

# SOUTHERN PACIFIC ROTARY SNOWPLOWS

-Two photos, Southern Pacific

For decades SP's maintained a fleet of rotary snowplows which were a fixture in winter on Donner Pass, in the Cascades, and other high places on their far-flung system. The Coach Yard will offer the 1952-era steam version and the 1962 diesel version, both with two different numbers and removeable wings in HO scale, FACTORY pro-finished: lettered and painted as per prototype. See your friendly Coach Yard dealer and make your reservations now!
