

SOUTHERN PACIFIC CORPORATE SUPPORT CARS

-Bruce Heard photo

In later years, Southern Pacific continued to maintain a modest fleet of well-maintained passenger cars for corporate use; primarily for entertaining customers, public officials and, on occasion, the media. One of the cars in this class, never before offered, was SP 250, which was assigned to the Southern Pacific police and was often seen entrained in high-value trains on the Sunset Route. The Coach Yard will offer six different cars, including official car SP 150 SUNSET, in Simulated Stainless Steel with Scarlet letterboard in HO scale, FACTORY pro-finished: lettered and painted with interiors as per prototype. See your friendly Coach Yard dealer and make your reservations now!
